

Maine ApHC Saddle Log Program

The Maine ApHC’s Saddle Log Program was created in 2007 to “give something back” to our members. The only requirement to participate is that you must be a **member** of the club, and you and your horse/s must be **enrolled** in the program. There is **no fee** charged for enrollment. You do not have to own an Appaloosa horse to participate – horses of **ALL BREEDS** may be used to accumulate hours of riding time.

This program recognizes the personal achievement of members who enjoy horseback riding, whether it is pleasure riding on the trails, time spent schooling or showing your horse, team penning, competitive trail riding – any time you spend astride will count.

To enroll, you will need to complete the form below and send it to the address listed at the bottom of the form. In turn, you will receive a “Green Sheet” on which to record your time spent riding.

Once a rider has reached the one-hundred-hour level, a T-Shirt featuring an embroidered Saddle Log Logo will be awarded. Other awards will be given at the 250-, 500-, 750-, 1000-hour levels.

Once you have enrolled in the program, you can accumulate riding hours each year as long as you maintain an active Maine ApHC membership. Remember that once you and your horse/s are enrolled, you must notify the program coordinator if you wish to add a new horse as your riding partner.
